Financecommunity Week – Other Titles and Brand

LC Publishing Group - Digital Titles and Brands

Launched in May 2014, the site is aimed at bankers, private equity funds, real estate operators and asset management companies. For its contents, the magazine focuses on finance market, i.e., on transfers and new appointments, operations and related advisors, rather than on insights and analytical data on market trends. Financecommunity.it has achieved a spectacular growth in terms of number of readers and professionals taking part, giving their contribution.

The first website of the group, launched in October 2011, Legalcommunity.it is aimed at business lawyers, tax consultants and accountants. Every day the website reports current and in-depth news from major companies and from the business lawyers' point of view.

Launched in May 2015, the digital title is aimed at business managers, HR managers, marketing managers, financial managers and top management. At content level, it focuses on lawyers who work in-house at companies and on the evolution of this group of professions in Italy.

The latest site (April 2018), InhousecommunityUS.com is the international magazine, in English, that covers legal and inhouse affairs in the United States, through experiences beyond Italy's borders to reach overseas destinations and all over the world.

LC Publishing Group, with its majority stake in Iberian Legal Group, also owns Iberian Lawyer, the printed and digital magazine and in-depth source of information for lawyers who advise international business interests in Spain and Portugal as well as the increasingly global interests of Iberian businesses in Latin America and Africa. Regular Iberian Lawyer networking events enable readers to meet and debate the strategic legal issues affecting their business interests.

LC Publishing Group, with its majority stake in Iberian Legal Group, owns The Latin American Lawyer, the printed and digital magazine proposing in-depth articles, reports and interviews which represents a bridge of communication for leading law firms and multinational clients in Latin America, Europe, the US and Africa. It is set to broadcast, communicate and educate through the provision of relevant market intelligence and content to international investors.

Foodcommunity.it is the Group's website dedicated to the food & beverage sector, created in 2016. The portal aims to analyze the economic scenario, through the protagonists of the food and wine world in Italy and abroad. Great attention is devoted to Michelin starred chefs, to the opening of new restaurants, as well as to the moves of food companies, from multinationals to small producers. The world of food recounted with an economic approach, with the focus on the most important figures in the industry (Chef, high-end restaurants, small artisanal producers).

Foodcommunitynews.com, launched in 2017, is the international portal dedicated to the development of the Italian food & beverage sector beyond Italy. Written in English, it provides news and insights on the internationalization of the realities and protagonists of the Made in Italy eno-gastronomic world.

MAG is the first fortnightly online magazine dedicated to the Italian business community. In every issue, the most prominent lawyers, bankers, entrepreneurs and chefs reveal and comment on news and market trends. Inside you'll find:

- Interviews to Managing Directors, Lawyers, Bankers, Advisors, tax Experts and Chef;
- Sector Studies;
- Report and post-research interviews, awards and Events.
